THIRD MODIFICATION OF THE 1984-1985
 PLAN OF DEVELOPMENT AND OPERATIONS AND BUDGET
 LONG BEACH UNIT, WILMINGTON OIL FIELD
 LOS ANGELES COUNTY

The City of Long Beach as Unit Operator for the Long Beach Unit has requested approval of the Third Modification of the Plan of Development and Operations and Budget, Long Beach Unit, 1984-1985. This modification would establish and fund by transfer a new Budget Item. The total budget would remain unchanged at \$251,278,000.

An appreciable part of the expenditures currently charged to the Oil and Gas Production Program Budget Item B.5.b.(4), Leasehold Maintenance, results from the Drilling and Development Program, i.e. drilling and re-drilling operations. To use effectively the program Budget concept, expenditures should be assigned to the most representative program. This modification would establish Expense Budget Item A.1.b.(6), Leasehold Maintenance, in the Drilling and Development Program to accumulate that part of Leasehold Maintenance expenditures considered a result of the drilling program. Funding for 1984-1985 would be by transfer of \$1,765,000 from Budget Item B.5.b.(4) where the expenditures are currently charged.

Upon approval, the affected budget items will be as follows:

Budget Item	Current Budget	This Transfer	Adjusted Budget
A.1.b.(6) Leasehold Maintenance Drilling & Development Program	\$ 0	\$1,765,000	\$1,765,000
B.5.b.(4) Leasehold Maintenance Oil & Gas Production Program	5,298,000	(1,765,000)	3,533,000
