OTHER PERTINENT INFORMATION:

1. Lease PRC 550 was originally issued to Getty Oil Company. On December 31, 1984, Texaco Trading and Transportation, Inc. assumed the assets and liabilities of the marine terminal operations.
2. A temporary license was issued to Texaco March 7, 1985 which was subsequently extended by the Commission until June 30, 1985. The license authorized the relocation of an existing buoy and placement of an additional buoy for safety purposes.

Texaco has requested another extension of the temporary license. Texaco is still negotiating with other oil companies to form a joint venture for operation of the existing Gaviota marine terminal. The Gaviota terminal will be operated on an interim basis until a permanent consolidated terminal is constructed in Santa Barbara County. The joint venture will be negotiating with the County to reach an interim agreement.

Texaco is therefore requesting an extension of the temporary license pending formation of the joint venture and an agreement with the County. Texaco has stated that they will apply for a renewal and amendment of Lease PRC 550 at that time.

OF A TEMPORARY LICENSE TO PROVIDE FOR THE MAINTENANCE OF ONE ADDITIONAL BUOY AND THE RELOCATION OF AN EXISTING BUOY ON THE LAND DESCRIBED ON EXHIBIT "A" ATTACHED AND BY REFERENCE MADE A PART HEREOF.
