APPROVE SUBSTITUTION OF LETTER OR ASSURANCE IN LIEU OF AN INSURANCE POLICY ON PACIFIC GAS & ELECTRIC COMPANY (PG&E)
STATE LEASES

PARTY:

Pacific Gas & Electric Corpany Attn: Emile Nurrisso Land Department 77 Beale Street San Francisco, California 9410

BACKGROUND

Currently, PG&E carries general liability coverage under an insurance policy issued by Mission Insurance Company. Nearly all PG&E electrical lines and pipeline crossings are covered under three master lease agreements — PRCs 6205, 6827, and these leases.

Effective January 1, 1986, PC&E proposes to issue a letter of assurance in lieu of the insurance policy. PG&E is self-insured for the First \$2.5 million on any one loss for bodily injury and property damage liability. PG&E carries excess coverage with other domestic and foreign companies (including various Lloyds' syndicates) up to \$100 million.

Since the three leases referenced above provide for insurance or "alternatives acceptable to the State Lands Commission" lieu of specific insurance coverage.
