BASIS FOR CONSIDERATION:
Pursuant to 2 Cal. Adm. Code 2003.

APPLICANT STATUS:

B. Cal. Adm. Code: Title 2, Div. 3; Title 14,
Div. 6.

RB 884: N/A.

OTHER PERTINENT INFORMATION:
1. Lease PRC 4193 at Jewfish Point expired on
November 19, 1980. In the process of
negotiating a new lease with
Connolly-Pacific, the staff discovered that
tide and submerged lands had been filled at
Jewfish Point and Empire Landing as well as
at other sites at Santa Catalina Island.
There is a dispute as to the extent and
ownership of these filled lands between the
State and the Santa Catalina Island
Company, owner of the adjacent upland, from
whom Connolly-Pacific leases the quarry
site. Lease PRC 4626 at Empire Landing
expired November 19, 1985.

CALENDAR ITEM NO. 15 (CONT'D)

In addition, the City of Avalon and County of Los Angeles have been conducting a feasibility study for construction of a commercial airport on the island which included consideration of Jewfish Point as a possible site. The staff has been informed that the City does not plan further consideration of Jewfish Point as an airport site.

2. Processing a lease for Connolly-Pacific has been held in abeyance during the title and boundary studies and determination by the City and County of airport site feasibility.
3. This negotiated rental covers use of the sites under PRC 4193 from November 20, 1980 through December 31, 1985 and under PRC 4626 from November 20, 1985 through December 31, 1985. Beginning January 1, 1986 the two Leases will be combined into one new lease which is being negotiated and will be considered in another Commission action.
4. Because delays in processing a new lease for the moorings have been due to title and boundary disputes between the State and the Santa Catalina Island Company, the staff recommends that penalty and interest be waived on rental for the period through December 31, 1985.
5. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Adm. Code 15061), the staff has determined that this activity is exempt from the requirements of the CEQA because there is no possibility that this activity may have a significant effect on the environment.

Authority: P.R.C. 21034 and 14 Cal. Adm. Code 15061(b)(3).

EXHIBITS:

- A. Land Description.
- B. Location Map.

CALENDAR ITEM NO. 15 (CONT'D)

IT IS RECOMMENDED THAT THE COMMISSION:

1. FIND THAT THE ACTIVITY IS EXEMPT FROM THE REQUIREMENTS OF THE CEQA PURSUANT TO 14 CAL. ADM. CODE 15061(b)(3), BECAUSE THERE IS NO POSSIBILITY THAT THIS ACTIVITY MAY HAVE A SIGNIFICANT EFFECT ON THE ENVIRONMENT.
2. FIND THAT THIS ACTIVITY IS CONSISTENT WITH THE USE CLASSIFICATION DESIGNATED FOR THE LAND PURSUANT TO P.R.C. 6370, ET SEQ.
3. AUTHORIZE ACCEPTANCE OF \$7,840 FROM CONNOLLY-PACIFIC COMPANY AS CONSIDERATION FOR THE USE OF SITES PREVIOUSLY LEASED UNDER PRC 4193 FROM NOVEMBER 20, 1980 THROUGH DECEMBER 31, 1985 AND UNDER PRC 4626 FROM NOVEMBER 20, 1985 THROUGH DECEMBER 31, 1985 FOR MAINTENANCE OF SIX MOORING BUOYS FOR USE AS BARGE AND TUGBOAT TIE-UPS ON THE LAND DESCRIBED ON EXHIBIT "A" ATTACHED AND BY REFERENCE MADE A PART HEREOF.
