AUTHORIZE ACQUISITION OF THE LOMAX UPLAND PARCEL  
AND ITS LEASE TO DEPARTMENT OF PARKS AND RECREATION

BACKGROUND

In 1981, Marshall Lomax and Undine Lomax filed suit (Lomax v. State SCC# WEC 069499) against the State of California and many of its agencies and subdivisions, alleging damage caused by land movement to their property at 19550-54 Pacific Coast Highway, Malibu, Los Angeles County (APN 4449-06-003).

While preparing for the above suit, a review of title documents, historic maps and surveys disclosed that a portion of the land and its structure claimed by the Lomax's extended waterward of the 1928 MHTL, which line is believed to be the boundary line between the sovereign lands of the State and the private uplands at this location. Subsequently, on June 20, 1985, the State Lands Commission filed a Quiet Title suit (State v. Lomax SCC# WEC 095507) to recover that portion of the land claimed by the Lomax's lying waterward of the 1928 MHTL.

CURRENT STATUS

A settlement of the above suits was approved at the Commission's March 6, 1986 meeting. The approved terms call for the Lomax's to execute a boundary line agreement along the 1928 MHTL (Exhibit "A") and for the State to acquire the Lomax's remaining upland parcel which lies between the 1928 MHTL and the Pacific Coast Highway (Exhibit "C") for the sum of \$90,000.
