Gentlemen:

Pursuant to your application dated October 20, 1986, and by the authorization of the State Lands Commission on December 23, 1986 you are hereby granted permission to dredge, during the term of the permit, a maximum of 350,000 cubic yards of sand, silt, clay and gravel, excluding all other minerals, including, but not limited to, oil, gas and geothermal from an area of tide and submerged lands in Morro Bay Harbor, San Luis Obispo County, as designated in Exhibit "A" attached hereto which is by this reference expressly made a part hereof. Said permission includes the right to dispose of dredge spoils three miles south of the entrance to Morro Bay Harbor at an approved site under the jurisdiction of the State Department of Parks and Recreation.

No royalty shall be paid for material deposited at the approved disposal site. A royalty of \$0.25 per cubic yard shall be paid for material used for any private or commercial benefit. Said permission is given on the condition that all dredging and spoils deposition shall be done in accordance with all applicable Federal, State and local government laws, rules and regulations. Said permission shall be effective from January 1, 1987 through December 31, 1987.

It is hereby agreed that the operations authorized under this permit shall be performed with diligence, in a good and workmanlike manner, and with the use of due care and safety precautions.

It is further agreed that you shall submit reports substantiating the volume of materials dredged and any royalties due to the Commission on a quarterly basis, on forms

supplied by the Commission (Form 30.9 MC). It is agreed that you shall submit said forms on or before the fifteenth (15th) day of the month following the end of each permit quarter, together with payment for the royalty due on the volume removed during that quarter. The first permit quarter shall be the first three months following the effective date of this permit, and every three-month period thereafter shall be a permit quarter.

It is hereby agreed that, pursuant to Public Resources Code Section 6224, any installments of royalty accruing under the provisions of this permit that are not paid when due shall be subject to a five percent (5%) penalty and shall bear interest at the rate of one and one-half percent (1-1/2%) per month from the date when the same was payable by the terms hereof.

It is agreed that you shall furnish the Commission with copies of final surveys or copies of any other computations used as a basis to verify dredge volumes within twenty-five (25) days of completion of the activity authorized hereunder.

It is agreed that you shall indemnify, save harmless and, at the option of the State of California, defend said State, its officers, agents and employees, against any and all claims, demands, causes of action, or liability of any kind which may be asserted against or imposed upon the State of California or any of its officers, agents or employees by any third person or entity, arising out of or connected with the issuance of this permit, operations hereunder, or the use by you or your agents, employees or contractors, of the above described lands.

Without limiting the generality of the foregoing, such indemnification shall include any claim, demand, cause of action or liability of any kind asserted against or imposed upon the State of California or any of its officers, agents or employees arising out of or connected with any alleged or actual violation by you, your agents, employees or contractors of the property or contractual rights of any third person or entity. It is agreed that you shall at the option of the Commission procure and maintain liability insurance for the benefit of the State in an amount satisfactory to the Commission.

You agree to comply with the terms and conditions hereof, and you further agree that any violation thereof shall constitute grounds for termination of this permit and shall allow the Commission to pursue any other remedy available to it under the law. It is further agreed that this permit may be suspended, modified or terminated whenever the State deems
