APPROVAL OF SECURED PARTY-LENDER FOR ENCUMBRANCING OF
STATE LEASES PRC 4689, PRC 4690 AND PRC 4691 SITUATE
IN THE CITY OF BURLINGAME, SAN MATEO COUNTY

BACKGROUND:

At its meeting on March 24, 1983 (Min Item #20) the Commission approved an assignment and substantial amendment of Leases PRC 4689, PRC 4690 and PRC 4691 between the State and Hometel's Development Corporation. The leases provide for the construction and maintenance of a 360-room, ten story hotel on two of the lease parcels and the construction and maintenance of a passive public park on one parcel. The leases were later assigned to San Francisco International Airport Hometel (On-The-Bay) Limited Partnership with State approval.

At its meeting on August 29, 1985 (Minute Item #28) the Commission approved Home Federal Savings and Loan Association as a secured party lender for the purpose of securing a \$25,000,000 construction loan.

The Hotel was completed and occupancy commenced in late November, 1986. Our tenant is now planning to refinance its existing loan with a new permanent loan in the amount of \$24,500,000 from Manufacturers Hanover Trust Company. Terms of the new loan are set forth in documentation currently on file in the principal office of the Commission. As part of this refinancing package the lender is requiring that a security instrument in the form of a deed of trust be executed encumbering the State/Hometel's leases to secure the new loan.

The State/Hometel's leases provide that the Lessee shall have the right to subject the leaseholds to one or more mortgages (or other security devices) as security for a loan or loans provided that the State consents to the proposed mortgages and lender (security interest holder). The leases also provide
