APPROVAL OF AN INTERIM LIQUID PETROLEUM GAS  
PRODUCTS SALES CONTRACT  
(LONG BEACH HARBOR DEPARTMENT TIDELANDS PARCEL AND PARCEL "A")  
AND APPROVAL OF SPECIFICATIONS AND FORMS  
FOR INVITING BIDS FOR THE SALE OF  
LIQUID PETROLEUM GAS PRODUCTS FROM THE  
LONG BEACH HARBOR DEPARTMENT TIDELANDS PARCEL AND PARCEL "A"

Since 1973, the City of Long Beach has had a liquid petroleum gas products sales contract with MacMillan Ring-Free Oil Company, Inc. for the products from the Long Beach Harbor Department Tideland Parcel and Parcel "A", Wilmington Oil Field, Los Angeles County. Due to MacMillan's financial difficulties and its resultant inability to perform under the contract, the contract was terminated effective September 1, 1987.

The City entered into, on an emergency basis, a Liquid Petroleum Gas Products Sales Contract with Petrolane Gas Service Limited Partnership under which Petrolane purchases the 1500 gallons per day of products on an interim basis. The contract became effective September 1, 1987 and may be terminated on 30 days' written notice from either party. The price paid by Petrolane is the price paid by Chevron U.S.A., Inc. which actually takes delivery of the products. This price is presently \$0.37 per gallon. This interim disposition of the liquid petroleum gas products should be ratified by the Commission.

A bid package has been prepared for the sale by competitive bidding of the liquid petroleum gas products. This competitively bid contract would replace the interim contract
