BACKGROUND: Tower Park, Inc. is the owner and operator of Tower Park Marina which is comprised of a recreational vehicle park on the upland and a marina located in Little Potato Slough. The marina is covered by a lease from the Commission, PRC 4194. The lease is a percentage of gross income lease and was the subject of recent litigation between the Commission and Tower Park, Inc. concerning the interpretation of specific rental language. A proposed settlement of this litigation will be presented to the Commission during January 1988. A result of the settlement of the litigation, if accepted by the Commission, will be a requirement that Tower Park pay to the Commission additional percentage rent covering a portion of rent charged to users of the marina.

CURRENT SITUATION:

Tower Park, Inc. has a pending sale of both the upland development and the marina to Westrec Properties, Inc. The sale agreement assigns the property to PS Marinas 2, a California Limited Partnership which will have as one of its general partners a wholly owned subsidiary of Westrec Properties, Inc. Tower Park, Inc. has requested the approval of the Commission for assignment of lease PRC 4194. The transfer of the upland and the marina improvements will occur through an existing escrow with Tilor Title Insurance Company. The lease assignment should occur at the same time as transfer of upland ownership.

CALENDAR ITEM NO. 51 (CONT'D)

Tower Park, Inc. has committed to the staff that it will fulfill the requirements of the settlement of the litigation between itself and the Commission assuming that the proposed settlement is accepted. Staff believes that the proposed Assignee is an acceptable substitute for Tower Park, Inc. and is willing to recommend that the Commission approve the assignment. Staff further recommends that the approved assignment be placed in the existing escrow opened for the sale of the upland and that the assignment be conditioned upon payment to the Commission of all money due in back rent and that the assignment not become effective until close of escrow and recordation of all transfer documents covering the upland.
