AUTHORIZATION TO SOLICIT BIDS
FOR THE RENTAL OF GLOBAL POSITIONING SYSTEM
FOR THE SAN JOAQUIN RIVER PROJECT

APPLICANT: State Lands Commission
1807 - 13th Street
Sacramento, California 95814

The Commission was provided with \$30,000 in the 1988-89 fiscal year to clarify land title in the area identified as the San Joaquin River Parkway which consists of a twenty-five mile reach of the river between Friant Dam and Highway 99 Bridge. Commission staff estimates that approximately 3,000 acres of State-owned, but yet unidentified, sovereign land exists within the area of the proposed parkway.

The work to be performed consists of mapping and monumenting approximately 65 miles of historic bank lines. Rental of a Global Positioning System (GPS), sufficient to do a complete geodetic control project of 100 stations, will be required to efficiently and economically complete this work. The estimated cost of the GPS rental is \$15,000.

AB 884: N/A.

IT IS RECOMMENDED THAT THE COMMISSION:

1. FIND THAT THE ACTIVITY IS EXEMPT FROM THE REQUIREMENTS OF THE CEQA PURSUANT TO 14 CAL. ADM. CODE 15061 BECAUSE THE ACTIVITY IS NOT A PROJECT AS DEFINED BY P.R.C. 21065 AND 14 CAL. ADM. CODE 15378.
2. AUTHORIZE THE EXECUTIVE OFFICER, OR HER DESIGNEE, TO SOLICIT BIDS FOR THE PURPOSE OF RENTING THE GLOBAL POSITIONING SYSTEM.
