AUTHORIZATION TO SOLICIT BIDS FOR A CONSULTANT
FOR THE SCHOOL LAND ASSET MANAGEMENT PROGRAM

The staff seeks to develop a program for the State's school lands which aggressively pursues exchanges, sales, and investment in new revenue-producing properties to increase revenues for the State Teachers Retirement Fund. A consultant report and a staff report each analyzed the alternatives and both recommended the acquisition of outside expertise to assist the staff.

The consultant is needed chiefly to evaluate investment decisions which would involve the School Land Bank Fund, now totalling over \$2.7 million. The contractor would:
(1) evaluate improved and unimproved land purchase opportunities (and proposed land sales and exchanges) for their potential to generate revenue and to enhance the value of the school land asset; and (2) make recommendations on such transactions to the Commission.

The proposed contract in the not-to-exceed amount of \$60,000 would provide such services for the remainder of this fiscal year.
