APPROVAL OF THE AWARD BY THE CITY OF LONG BEACH OF THE
CRUDE OIL SALES CONTRACTS, TRACT NO. 1, LONG BEACH UNIT
WILMINGTON OIL FIELD, LOS ANGELES COUNTY

At its meeting on November 29, 1988, the Commission made the determination of terms and quantities and approved the provisions of sale determined by the City of Long Beach, and authorized the Executive Officer: (1) to notify the City of Long Beach; and (2) to direct the Field Contractor to offer for sale, by competitive bidding, 12 1/2% of the crude oil allocated to Tract No. 1, Long Beach Unit, Wilmington Oil Field. This production is solely from the Field Contractor's 80% share. These actions were taken pursuant to Section 3(e), Chapter 138, Statutes of 1964, 1st E.S.

The Field Contractor, with the City of Long Beach, offered the crude oil for competitive bidding. The crude oil was offered under two separate contracts, one for 7% and one for 5 1/2% of the crude oil allocated to Tract No. 1. The 7% segment consists of approximately 3,700 barrels per day of 17.7° API gravity crude oil. The 5 1/2% segment consists of approximately 2,900 barrels per day of 17.7° API gravity crude oil.

On December 5, 1988, the City of Long Beach opened the bids offered for this crude oil. The results of the bidding are shown on Exhibit "A".

The Long Beach City Council, on November 15, 1988, gave approval to the City Manager to award these contracts to the highest responsible bidder based on recommendations from the staff of the Department of Oil Properties.
