CONSIDERATION OF BOUNDARIES REGARDING  
PROPOSED ANNEXATION OF TIDE AND SUBMERGED LANDS  
INTO THE CITY OF STOCKTON, SAN JOAQUIN COUNTY

APPLICANT: Grupe Development Company  
Attn: Kevin Huber, Director  
of Development  
2291 West March Lane  
Stockton, California 95207

The State Lands Commission has received a request from the Grupe Development Company to review and approve the boundaries for the Brookside Community Annexation Proposal (A-89-7).

The area proposed for annexation (commonly known as Sargent Barnhardt Tract) includes approximately 1,312 acres of land, more or less, and includes portions of the San Joaquin River, Calaveras River, Fourteen-Mile Slough, and Ten-Mile Slough. The area is west of Interstate Hwy. 5, south of Lincoln Village West, east of Elmwood Tract and north of the Calaveras River (see Exhibit "C"). It is surrounded on the north, south, east, and portions of the west, by the existing city limits of Stockton.

Portions of this annexation, 13.09 acres in Ten Mile Slough, were previously authorized by the Commission for annexation into the City of Stockton in 1978. The Commission approved the boundaries of the proposed annexation on January 26, 1978 by Minute Item #42 and consented as landowners to the annexation on February 23, 1978 by Minute Item #18. This annexation was never completed by the City of Stockton.

CALENDAR ITEM NO. 33 (CONT'D)

Pursuant to Government Code Section 56108(a), the Commission must consent before land under its jurisdiction can be annexed. Government Code Sections 56108(b), (c) and (d), state that the Commission is to review and approve or deny the proposed annexation boundaries as appropriate and correct within 45 days of receipt.

The staff of the Commission has reviewed the proposed annexation boundary description and finds it adequate pursuant to Section 56108(b), (c), and (d).

Staff of the Commission is involved in negotiations with Grupe regarding relative property interests and boundaries involving present and historic locations of the above-named tidal waterways. A settlement of title issues is anticipated in the next few months.

The consent of the Commission as landowner (Government Code Section 56108[a]) will be sought following resolution of the title issues.
