BACKGROUND:

By Minute Item 6, approved by the State Lands Commission on April 29, 1981, the State issued to Henry and Hiroko Nakazato a General Lease - Right-of-Way Use for the construction, use, and maintenance of a gravel road providing access to the island owned by the lessee near the town of Tehama. The island is surrounded by the old bed of the Sacramento River, which has water only during the winter months. Dr. and Mrs. Nakazato, in order to farm the island, needed to cross this historic bed of the river with vehicles and farm equipment.

In early 1988, the lessees were unable to continue farming the island and in September 1988, Dr. Nakazato passed away. His wishes were to return the land to its natural state and sell it to the United States Fish and Wildlife Service.

Due to the heavy winter rains, the road has washed away and nothing remains at the site.
