Department of Fish and Game

Dear Mr. Naylor:

This is to advise you that the Shasta County Board of Supervisors has no objection to the new fish ladder you are proposing to build on the south end of the A.C.I.D. Diversion Dam in the Sacramento River in Redding.

As you are aware, the County of Shasta has been very supportive of all efforts by your agency and others, such as the SB 1086 Committee chaired by our Supervisor Bob Bosworth, to restore and enhance the anadromous fishery on the Sacramento River. We see your proposed project at the A.C.I.D. Dam as another step in this direction.

Thanks for giving us an opportunity to add our support to your project.

Sincerely,

John Reit, Chairman
