CONSIDER APPROVAL OF CONSENT BY CITY OF LONG BEACH
TO ASSIGNMENTS TO ARCO LONG BEACH, INC.
OF INTERESTS OF TEXACO, UNOCAL, AND SHELL
IN THE FIELD CONTRACTOR'S SHARE IN THE
CONTRACTOR'S AGREEMENT, LONG BEACH UNIT

BACKGROUND:

At its meeting on October 26, 1989, the State Lands Commission approved the assignments to ARCO Long Beach, Inc. of the interests of Texaco, Unocal, and Shell in the field contractor's share in the Contractor's Agreement, Long Beach Unit. As a condition of its approval, the Commission required that Texaco, Unocal, and Shell remain jointly and severally liable for any matters arising under or affecting the performance of the field contractor's duties under the field contractor's agreement prior to or after the effective date of the assignments.

Texaco, Unocal, and Shell have objected to this provision to the extent they would be liable under the terms of the Contractor's Agreement for obligations or liabilities arising from events that occur after the effective date of the assignment agreement, and have stated that they will not go forward with the assignment if this provision is not modified.

Staff of the Commission and the City of Long Beach met with Arco, Texaco, Union, and Shell to discuss the problem and evaluate the risks and benefits to the State if this provision was modified to remove its prospective application. Under the circumstances prevalent in the Long Beach Unit today, taking into account the continued presence of Mobil and Exxon as parties to the Contractor's Agreement and for good and valuable consideration, the staff of the Commission recommends that the requested modification be made.
