RECEIPT OF A "NOTICE OF PROPOSED USE OF
STATE LANDS" PROVIDED FOR BY THE MEMORANDUM OF UNDERSTANDING
BETWEEN THE DEPARTMENT OF WATER RESOURCES AND
THE STATE LANDS COMMISSION

APPLICANT: Department of Water Resources
1416 Ninth Street
Sacramento, California 95814

BACKGROUND:

On September 26, 1979, the State Lands Commission approved a Memorandum of Understanding, effective October 19, 1979, between the Department of Water Resources and State Lands Commission. It provides for use of State lands for either the Central Valley Project or the State Water Resources Development System. Under the Memorandum of Understanding, the Department of Water Resources provides State Lands Commission with a "Notice of Proposed Use of State Lands".

CURRENT SITUATION:

Based on the Memorandum of Understanding, the Department of Water Resources (DWR) has submitted a "Notice of Proposed Use of State Lands" to Commission staff, advising of their intent to install and service a tide-stage recorder on the edge of Cordelia Slough Tule Berm, Solano County. This project will be a part of the State Water Resources Development System. Staff has reviewed the plan and determined that no restrictions or limitations are needed from the State Lands Commission. The facility is exempt under CEQA 15306 (Basic Data Collection with No Serious/Major Disturbance to an Environmental Resource).
