BACKGROUND:

By Minute Item 6, approved by the State Lands Commission on April 7, 1981, the State issued to Elaine Brazil, et al, a General Lease - Commercial Use for the operation and maintenance of a commercial marina in the Sacramento River near the town of Glenn.

Due to the continued lack of rainfall, the water elevation is now very low at the site. The dock area has started to fill in with water grasses, making it virtually impossible for boats to access the docks.

In October 1990, the Lessee removed the docks.
