OTHER PERTINENT INFORMATION:

1. Sunset Farms, Inc. has applied for renewal of their agricultural lease, which expired December 31, 1990, for their ongoing agricultural use of an 82+-acre parcel of State school land located three miles northwest of the city of Santa Cruz, Santa Cruz County.
2. The recommended rental of \$18,040 is based on \$220 per acre (82+ acres x \$220 = \$18,040). This value per acre is based upon a Central Coast Rental Survey which was prepared for the State, Department of General Services, to provide an indication of economic market rents for the central coast areas which are irrigated Brussels sprout farmland similar to Wilder State Park farmland. Wilder State Park is adjacent to and similar to the State's parcel which is also utilized for Brussels sprout production. The appraisal conclusion indicated that the Gross Market rents for the property range from \$220 to \$250 per acre per year. Based on this rental survey, staff believes the recommended rental of \$18,040 is justified.
3. Lessee has agreed to comply with the provisions of the Integrated Pest Management (IPM) Program as set forth in "IPM Guidelines and Procedures at Wilder Ranch State Park", dated May 1, 1988, which is on file in the office of the State Lands Commission.
