APPROVE A GENERAL PERMIT - PROTECTIVE STRUCTURE USE

APPLICANT:

Wells Fargo Bank, N.A.  
Trustee of Roberta G. Axford Trust  
P. O. Box 63939  
San Francisco, California 94163

AREA, TYPE LAND AND LOCATION:

A 0.01-acre parcel of tide and submerged land located in the  
Bay of Monterey, City and County of Santa Cruz.

LAND USE:

Construction and maintenance of a twenty-foot reinforced  
concrete erosion control wall.

TERMS OF PROPOSED PERMIT:

Initial period:

Ten (10) years beginning April 1, 1991.

Public liability insurance:

Combined single limit coverage of \$300,000.

CONSIDERATION:

The public use and benefit; with the State reserving  
the right at any time to set a monetary rental if the  
Commission finds such action to be in the State's best  
interest.

BASIS FOR CONSIDERATION:

Pursuant to 2 Cal. Code Regs. 2003.

APPLICANT STATUS:

Applicant is owner of upland.

PREREQUISITE CONDITIONS, FEES AND EXPENSES:

Filing fee and processing costs have been received.

CALENDAR ITEM NO. C 1 2 (CONT'D)

**STATUTORY AND OTHER REFERENCES:**

- A. P.R.C.: Div. 6, Parts 1 and 2; Div. 13.
- B. Cal. Code Regs.: Title 3, Div. 3; Title 14, Div. 6.

AB 884:

09/03/91

**OTHER PERTINENT INFORMATION:**

1. A Negative Declaration was prepared and adopted for this project by the County of Santa Cruz. The State Lands Commission's staff has reviewed such document.
2. The proposed seawall is designed to protect the Applicant's existing residence and two adjacent residences where the bluff below has suffered erosion in past storms. The wall is designed to dissipate the wave action as it runs up the wall, rather than throw the wave back onto the beach as is done in a standard recurve wall which tends to erode the beach in front of the wall. While the total length of the wall will be approximately 340 linear feet, only 120 feet, more or less, are within the Commission's jurisdiction.
3. This activity involves lands identified as possessing significant environmental values pursuant to P.R.C. 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.

**APPROVALS OBTAINED:**

Santa Cruz County and United States Army Corps of Engineers.

**FURTHER APPROVALS REQUIRED:**

California Coastal Commission.

**EXHIBITS:**

- A. Land Description
- B. Location Map
- C. Negative Declaration

IT IS RECOMMENDED THAT THE COMMISSION:

1. FIND THAT A NEGATIVE DECLARATION WAS PREPARED AND ADOPTED FOR THIS PROJECT BY COUNTY OF SANTA CRUZ AND THAT THE COMMISSION HAS REVIEWED AND CONSIDERED THE INFORMATION CONTAINED THEREIN.
2. AUTHORIZE ISSUANCE TO WELLS FARGO BANK, N.A., TRUSTEE OF THE ROBERT G. AXFORD TRUST, OF A GENERAL PERMIT - PROTECTIVE STRUCTURE USE, EFFECTIVE APRIL 9, 1991, FOR THE CONSTRUCTION AND MAINTENANCE OF A TWENTY-FOOT HIGH EROSION CONTROL WALL ON THE LAND DESCRIBED ON EXHIBIT "A" ATTACHED, AND BY REFERENCE MADE A PART HEREOF.

EXHIBIT "A"

W 23066

LAND DESCRIPTION

That portion of the Pacific Ocean lying beneath the proposed shore protection adjacent to 4170 Opal Cliffs Drive, City of Santa Cruz, Santa Cruz County, California, said shore protection is shown on "PLAN AND NOTES BLUFF TOE PROTECTION FROM WAVE WASH", Dated May 1987, Job no. 18961-1, a copy of said plan is on file in file no. W 23066 in the office of the State Lands Commission, Sacramento, California.

EXCEPTING THEREFROM any portion lying landward of the ordinary high water mark of the Pacific Ocean.

END OF DESCRIPTION

PREPARED MARCH 8, 1991 BY LLB.

Bryan Payne for Pino, Plinor and Young

Application: 88-0364

APN: 33-171-07, 08, 09

#### NEGATIVE DECLARATION CONDITIONS

1. Meet all the recommendations of the geologic report prepared by Rogers Johnson dated December 22, 1980.
2. An earthen tone color additive shall be added to the concrete to make the wall blend in with the appearance of the surrounding coastal bluffs to the greatest extent possible.
3. The complete exterior of the top side and seaward side of the wall shall be treated with a "graffiti-guard" epoxy coating to facilitate the removal of graffiti or other unwanted painting.
4. All construction materials shall be completely removed from the beach and bluff after completion of wall construction. The applicant/owners shall post a \$3,000. security bond, Time Certificate of Deposit or other security as approved by the Planning Department to ensure compliance with this condition.
5. No structures, signs, fences or other obstructions shall be erected upon the seawall, on the adjoining bluffs or seaward of the wall on the beach.
6. The applicant/owners shall obtain an approved Coastal Zone Permit from the California Coastal Commission for this project prior to the issuance of a Grading Permit and commencement of construction.
