**OTHER PERTINENT INFORMATION:**

1. At its February 1979 meeting, the Commission approved a 15-year General Permit - Recreational Use to the Yolo-Sutter Boat Club, Inc. effective March 13, 1976. In settlement for previously occupying submerged land, Lessee agreed to pay \$450 which was due on August 1, 1979. Beginning March 13, 1979 the annual rent was \$110.00.
2. At its meeting on December 17, 1981, the Commission terminated the existing 15-year lease and approved a new 20-year General Permit - Recreational Use which commenced on November 1, 1981. The annual rent was \$200.
3. Pursuant to the terms of the Permit, in 1986 staff conducted a five-year rent review and determined the rent to be \$698.74 per annum. In a letter dated August 6, 1986, lessee was notified of this rent increase and subsequently submitted the required \$698.74; however, lessee resumed making annual rental payments of \$200.
4. Pursuant to the terms of the Permit, in 1992, staff again conducted a five-year rent review and determined the annual rent to be \$598.92.
5. Based on lessee's good faith efforts to comply with the provisions of its permit, and the Commission's statutory mandate to receive fair market rent for the use of the State's sovereign lands, an agreement has been reached concerning the back rent. Lessee will pay back rent in the amount of \$1,146.85 over a 12-month period in installments of \$95.57 each beginning July 1, 1993.
6. The new annual rent will be \$598.92 effective November 1, 1993.
7. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Code Regs. 15061), the staff has determined that this activity is exempt from the requirements of the CEQA because the activity is not a "project" as defined by CEQA and the State CEQA Guidelines.
