RETROCESSION OF JURISDICTION AT  
MARINE CORPS LOGISTICS CENTER, SAN BERNARDINO COUNTY  
AUTHORIZATION TO CONDUCT PUBLIC HEARING

PARTY:

United States of America  
Department of the Navy  
Naval Facilities Engineering Command  
1220 Pacific Highway  
San Diego, CA 92132-5190

BACKGROUND:

The United States exercises partial jurisdiction over the Marine Corps Logistics Center, San Bernardino County. The Department of the Navy has requested California accept a retrocession of partial federal criminal jurisdiction over this facility. The United States wishes to exercise concurrent criminal jurisdiction with the State of California and retain partial civil legislative jurisdiction.

California Government Code Section 113 authorizes the State Lands Commission to accept a retrocession of jurisdiction if the following conditions are met:

1. The United States has in writing requested that the State accept the retrocession;
2. The State Lands Commission has held a public hearing to determine whether it is in the State's best interests to accept the retrocession; and
3. The United States has agreed to pay for the costs associated with the retrocession process.

By letter dated August 16, 1993, the Department of the Navy requested that California accept a retrocession of so much of the United States' legislative jurisdiction that the United States and California would exercise concurrent criminal jurisdiction at

the end of the retrocession process. The United States wishes to retain all civil jurisdiction except that reserved to the California in the original cession. This request is made pursuant to Title 10, United States Code, Section 2683.

The United States has entered into a reimbursement agreement to compensate the Commission for costs associated with the retrocession.

The Commissioners are requested to authorize the Executive Officer or his delegate to conduct the required public hearing to receive comments on whether the retrocession is in the State's best interest.
