Secretary of the Air Force
Washington, D. C.

BACKGROUND:

The United States Department of the Air Force has exclusive legislative jurisdiction over certain lands comprising Norton Air Force Base in San Bernardino County.

California Government Code Section 113 authorizes the State Lands Commission to accept a retrocession of jurisdiction if the following conditions are met:

2. The State Lands Commission has held a public hearing to determine whether it is in the State's best interests to accept the retrocession; and
3. The United States has agreed to pay for the costs associated with the retrocession process.

By letter dated September 29, 1993 the Department of the Air Force requested Governor Wilson to accept a retrocession of all legislative jurisdiction over Norton AFB. This request was made under authority granted by 10 USC 2683. The purpose of the request is to accommodate the presence of local law enforcement on the facility after closure of the Base.

The State Lands Commission published on December 8, 1993 in the San Bernardino Sun a "Notice of Hearing to Determine Retrocession of Jurisdiction From the United States Over Land Known as Norton Air Force Base." The Notice was also served on the Clerk for the Board of Supervisors for San Bernardino County.

The United States has executed a contract to pay for costs incurred by the State Lands Commission in processing the retrocession.

Government Code Section 113 provides that, after the Commission has accepted the retrocession, its acceptance be filed with the Office of the Secretary of State and recorded in the Office of the Recorder for San Bernardino County.
