Hamilton Operator and other minority interest holders, including Humble Oil and Refining Company, predecessor-in-interest, to Exxon Corporation (Exxon) on May 31, 1943. Through a series of assignments and corporate name changes, Shell Western E&P, Inc. (Shell) is the present majority interest holder and operator for this lease.

On December 7, 1993, Exxon contacted Commission staff and requested Commission approval of the assignment of their minority interest (23.33%) in this lease to SABA Petroleum, Inc. Since it is only a minority interest, Shell will remain as the majority interest holder in this lease and will continue as lease operator.
