**ASSIGNMENT, AMENDMENT AND REVISION OF RENT
FOR LEASE NO. PRC 4908.1
INDUSTRIAL LEASE - MARINE TERMINAL FACILITY**

ASSIGNOR:

Shell Oil Company
One Shell Plaza
P.O. Box 2463
Houston, TX 77252-2463
ATTN: G.W. Hadley

ASSIGNEE:

Shell Martinez Refining Company
P.O. Box 711
Martinez, CA 94553

AREA, LAND TYPE AND LOCATION:

A 19.265 acre parcel of tide and submerged lands located in the City of Martinez, Contra Costa County.

AUTHORIZED IMPROVEMENTS:

A marine terminal wharf and associated pipelines used for the loading and unloading of crude oil and petroleum products.

BACKGROUND:

Shell Oil Company was issued a lease for a 15 year period, beginning August 1, 1974, with three successive renewal periods of 10 years each. At its meeting of March 19, 1980, the Commission authorized an amendment of the lease to include additional leased lands to accommodate Shell Oil Company's plans to expand its wharf facilities. As a part of this amendment an increase in the annual rental from \$60,000 to \$84,000 was approved, to become effective upon substantial completion of the wharf modifications.

CALENDAR ITEM NO. C44 (CONT'D)

CURRENT SITUATION:

Shell Oil Company has restructured its refineries into separate, independent subsidiary corporations. The refinery at Martinez was recently incorporated as the Shell Martinez Refining Company (SMRC). Pursuant to the terms of the Lease, the Commission must consent to any transfer or assignment of the lease agreement. Staff have reviewed documents relating to the proposed restructuring and transferring of the lease to SMRC.

In addition to the assignment of the lease, Shell Oil Company has requested that the lease be amended to revise the acreage and legal description to reflect those in the originally issued lease. The wharf expansion project that was contemplated in 1980 never materialized. Therefore, the additional lease area approved by the Commission at its March, 1980, meeting was never utilized and is not now needed.

Staff and Shell Oil Company representatives have negotiated a revision of rental that will be retroactive to August 1, 1989. The recommended adjustment of rent is based upon adjustment of the prior rent by the application of the Consumers Price Index (CPI). Application of the CPI to adjust rents at this time is an interim measure necessitated by budget constraints and resultant losses in staff, and does not obligate the Commission to use of the CPI to adjust rentals other than as specifically set forth herein.
