CALENDAR ITEM NO. C70 (CONT'D)

OTHER PERTINENT INFORMATION:

1. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Code Regs. 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a statutorily exempt project. The project is exempt because it involves an action taken pursuant to the School Land Bank Act, Public Resources Code Sections 8700, et seq.

Authority: Public Resources Code Section 8710.

2. On September 9, 1993, the SLC approved the sale of 45.5 acres of State School Land to Southern California Public Power Authority. The property acquired is to be used as a right-of-way corridor for the Mead-Adelanto Project (MAP). The MAP is a 1200-megawatt transmission system being jointly developed by the Western Area Power Administration, a Federal power marketing agency, ten Southern California Municipal Utilities, and a joint agency representing three Northern California Municipal Utilities. The participants have designated the Department of Water and Power for the City of Los Angeles as the Construction Manager and Operation Manager for the MAP. LADWP has determined that an additional 12.38 acres is needed for the project.
3. The California portion of the transmission line will be constructed from the California/Nevada state line in the vicinity of Interstate 15 to an electrical switching station near the City of Adelanto, California. The route of the transmission line will generally parallel the route of Interstate 15. The California portion of the transmission line will be located entirely within San Bernardino County.

- C. General Plan

CALENDAR ITEM NO. C70 (CONT'D)

IT IS RECOMMENDED THAT THE COMMISSION:

1. FIND THAT THE ACTIVITY IS EXEMPT FROM THE REQUIREMENTS OF THE CEQA PURSUANT TO 14 CAL. CODE REGS. 15061 AS A STATUTORILY EXEMPT PROJECT PURSUANT TO PUBLIC RESOURCES CODE SECTION 8710, AN ACTION TAKEN PURSUANT TO THE SCHOOL LAND BANK ACT, PUBLIC RESOURCES CODE SECTIONS 8700, ET SEQ.
2. FIND THAT A GENERAL PLAN FOR THIS ACTIVITY WAS FILED WITH THE LEGISLATURE PURSUANT TO PUBLIC RESOURCES CODE SECTION 6373.
3. AUTHORIZE ISSUANCE OF A PATENT, SUBJECT TO APPLICABLE STATUTORY AND CONSTITUTIONAL RESERVATIONS, FOR THE LAND DESCRIBED IN EXHIBIT "A", TO SOUTHERN CALIFORNIA PUBLIC POWER AUTHORITY .
4. AUTHORIZE THE DEPOSIT OF \$8,400.00 IN THE SCHOOL LAND BANK FUND.

GENERAL PLAN

The Department of Water and Power of the City of Los Angeles (LADWP), has applied to purchase seven (7) parcels of undeveloped land, totaling 12.38 acres, under the jurisdiction of the State Lands Commission (SLC).

On September 9, 1993, the SLC approved the sale of 45.5 acres of State School Land to Southern California Public Power Authority. The property acquired is to be used as a right of way corridor for the Mead-Adelanto Project (MAP). The MAP is a 1200-megawatt transmission system being jointly developed by the Western Area Power Administration, a Federal power marketing agency, ten Southern California Municipal Utilities, and a joint agency representing three Northern California Municipal Utilities. The participants have designated LADWP as the Construction Manager and Operation Manager for the MAP. LADWP has determined that an additional 12.38 acres is needed for the project.

The California portion of the transmission line will be constructed from the California/Nevada state line in the vicinity of Interstate 15 to an electrical switching station near the City of Adelanto, CA. The route of the transmission line will generally parallel the route of Interstate 15. The California portion of the transmission line will be located entirely within San Bernardino County.

On August 20, 1991, the Riverside City Council reviewed the Final Environmental Impact Report, as updated by an addendum, and approved the project. A Notice of Determination was filed with the Office of Planning and Research on August 23, 1991. The final EIR, with comments and responses, the addendum to the final EIR, the record of the project approval and the mitigation monitoring plan is available in the offices of the City of Riverside Planning Department.
