**OTHER PERTINENT
INFORMATION:**

The recommended adjustment of the minimum mooring rent is based on adjustment of the prior rent by application of the Consumer Price Index (CPI). Application of the CPI to adjust rents at this time is an interim measure necessitated by budget constraints and resultant losses in staff, and does not obligate the Commission to use the CPI to adjust rents other than as specifically set forth herein.

The recommended percentage of gross rent is based on staff's review of rental terms for other commercial mooring leases on Santa Catalina Island which are the most comparable to the City's mooring lease.

RECOMMENDED ACTION:

IT IS RECOMMENDED THAT THE COMMISSION:
