CONSIDERATION OF PROPOSED BOUNDARIES AND CONSENT TO ANNEXATION OF TIDE AND SUBMERGED LANDS INTO THE CITY OF AVALON, LOS ANGELES COUNTY

APPLICANT:

City of Avalon
Attn: Robert F. Clark
City Manager
Santa Catalina Island
P.O. Box 707
Avalon, California 90704

BACKGROUND:

The State Lands Commission has received a request from the City of Avalon to process an approval of boundaries and consent to annexation of State owned tide and submerged lands lying adjacent to and southerly of the present city limits.

The staff of the Commission has reviewed the proposed annexation boundary description in Exhibit "A" and finds it adequate. Furthermore, the staff has no objection to the transfer of local governmental jurisdiction over the tide and submerged lands described in Exhibit "A" from the County of Los Angeles to the City of Avalon. Approval of the description should not be construed as approval of a specific fixed location of the boundary between the privately owned uplands in Parcel 1 and the state owned tide and submerged lands in Parcel 3. The actual boundary along this stretch of coastline has not been located by agreement or adjudication. The staff of the State Lands Commission has identified several locations in this area which were filled by human activities. The present mean high tide line does not reflect the boundary where the upland has been extended seaward by artificial means.
