REVISION OF RENT

LESSEE:

Southern California Edison Company
2425 S. Black Street
Tulare, California 93274

AREA, LAND TYPE, AND LOCATION:

3.75 acres, more or less, of school lands in Section 16, T22N, R7E, SBM, Inyo County.

AUTHORIZED USE:

Continued use and maintenance of an existing 66 KV overhead power line.

LEASE TERM:

20 years, beginning April 1, 1987.

CONSIDERATION:

This lease provides that Lessor may modify the rent periodically during the lease term. Pursuant to this provision, staff has conducted a review of the rent under this lease, and recommends that the rent be revised from \$100 per year to \$115 per year, effective April 1, 1997.

The recommended adjustment of rent for Lease No. PRC 3467.2 is based on adjustment of the prior rent by application of the Consumer Price Index (CPI). Application of the CPI to adjust rents at this time is an interim measure necessitated by budget constraints and resultant losses in staff, and does not obligate the Commission to use the CPI to adjust rents other than as specifically set forth herein.
