CONSIDERATION:

This lease provides that Lessor may modify the rent periodically during the lease term. Pursuant to this provision, staff has conducted a review of the rent under this lease, and recommends that the rent be revised from \$54,000 per year to \$63,695 per year, effective December 1, 1997.

The recommended adjustment of rent is based on adjustment of the prior rent by application of the Consumer Price Index (CPI). Application of the Consumer Price Index to adjust rents at this time is an interim measure necessitated by budget constraints and resultant losses in staff, and does not obligate the Commission to use of the CPI to adjust rentals other than as specifically set forth herein.
