2. On April 12, 1988, the Commission issued to Stephen Simard a General Lease - Recreational and Protective Structure Use (PRC 7184.1) for operation of a floating dock, bank protection and two speed buoys in consideration of \$132 per year for the two speed buoys. On May 5, 1992, the Commission approved a rent adjustment to \$150 per year for the two speed buoys. On January 1, 1992, due to high waters, the two speed buoys were removed and have not been replaced; therefore eliminating the basis for charging rent. During the period of August 2, 1992, through August 1, 1997, there was one payment in the amount of \$150 that was received for the period of August 2, 1995 through August 1, 1996.
