OTHER PERTINENT INFORMATION:

1. This lease was initially executed in November, 1957, for twenty years with unlimited successive ten year renewals. The lease has been previously renewed in 1977 and 1987.
2. A new lease form will be utilized to bring the insurance and bond rates and standard covenants up to current California State Lands Commission standards.
3. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15025), the staff prepared a Negative Declaration identified as CSLC ND 426 State Clearinghouse No. 87101301. Such Negative Declaration was prepared and circulated for public review pursuant to the provisions of the CEQA. The CSLC adopted the Negative Declaration on November 19, 1987.

Based upon the Initial Study, the Negative Declaration, the comments received in response thereto and informal consultations by CSLC staff with the California Department of Fish and Game and San Francisco Bay Conservation and Development Commission, there is no substantial evidence that the project will have a significant effect on the environment; Title 14, California Code of Regulations, section 15074 (b).
