2. Lease Nos. PRC's 3277.1, 3278.1, 3279.1, 3280.1, and 3281.1 were issued to Standard Oil Company of California on April 29, 1965, for 15 year periods, each ending on April 28, 1980. Since 1996, Commission staff and Chevron have been in negotiations. In settlement of full payment for back rent, including penalty and interest, Chevron has agreed to pay back rent in the amount of \$37,247.00 for the period April 29, 1980 through May 1, 1997.
4. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 14, California Code of Regulations, section 2905(a)(2).
5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq.
