buoy in Tomales Bay. The authorized improvements were utilized to supply bay water for an upland wet storage system used in the marketing of locally grown shellfish. On August 18, 1998, staff was notified by the Lessees that they had ceased operation of the wet storage system and requested their lease with the Commission be terminated. Staff has received written confirmation from the upland owner that the authorized improvements have been removed from the lease premises.

2. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA because the activity is not a "project" as defined by the CEQA and the State CEQA Guidelines.

Authority: Public Resources Code section 21065 and Title 14, California Code of Regulations, section 15378.
