GENERAL LEASE - PUBLIC AGENCY USE

APPLICANT:

City of Corning
Attn: Tom Russ, Director of Public Works
794 Third Street
Corning, California 96021

AREA, LAND TYPE, AND LOCATION:

0.04 acres, more or less, of submerged lands in the Sacramento River, near the city of Corning (APN 091-030-04 and 091-040-48), Tehama County.

AUTHORIZED USE:

Approximately 200 cubic yards of existing quarry stone bank protection.

LEASE TERM:

15 years, beginning March 20, 1999.

CONSIDERATION:

The public use and benefit, with the State reserving the right at any time to set a monetary rent if the Commission finds such action to be in the State's best interest.

OTHER PERTINENT INFORMATION:

1. Applicant has a right to use the uplands adjoining the lease premises.
2. On September 27, 1989, the Commission issued to both Richard Rezendes (PRC 7342.9) and James Tucker (PRC 7341.9) a ten year General Lease - Protective Structure Use, effective March 20, 1989, for placement of the existing bank protection.

CALENDAR ITEM NO. C02 (CONT'D)

3. Upon expiration of these Leases on March 19, 1999, staff was contacted by Mr. Rezendes indicating that the city of Corning had originally placed the bank protection for operation of a treated water sewer outfall which is located on both his property and Mr. Tucker's property. Currently the city of Corning has a right of way easement on their properties for sewer purposes which gives the city the right to enter on the lands to excavate trenches, to haul materials for the construction of the sewer lines, and to construct, repair and maintain the sewer lines. Subsequently, the city of Corning has applied to the California State Lands Commission for a new lease for continued use and maintenance of this bank protection.
4. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
