**CONSIDER APPROVAL OF PROPOSED SALE
OF ROYALTY CRUDE OIL, OIL AND GAS LEASES,
ORANGE COUNTY**

PARTY:

California State Lands Commission
100 Howe Avenue, Suite 100-South
Sacramento, CA 95825-8202

BACKGROUND:

At this present time, the State is taking in kind and selling its royalty share of crude oil (approximately 1,017 B/D) from five Oil and Gas leases in Orange County. The royalty oil sales contract is scheduled to expire on June 1, 2000. Because of the long lead needed to re-offer the oil by competitive bidding, it is necessary to begin the process now.

Public Resources Code section 6815.1 governs the sell-off of royalty oil and provides that when oil is taken in kind by the Commission it shall be sold only to the highest responsible bidder upon competitive public bidding and the bidding shall be pursuant to specifications and forms adopted by the Commission prior to publication of the notice to bidders. The staff recommends that the Commission authorize the sale of royalty crude oil from the leases listed on Exhibit A and adopt the specifications for the sell-offs which are listed on Exhibit B to this calendar item. Staff also recommends that the Commission adopt the forms prepared by the staff for use in the sell-offs, which are the notice inviting bids, bid proposal, and the crude oil sales contract, copies of which are on file in the Commission's office in Long Beach.

EXHIBIT B

The significant specifications set forth in the sell-off bid forms are as follows:

1. Amount

The sell-offs will offer the State's monthly royalty share of crude oil.

2. Price

The price will be the highest of the posted prices in the field for oil of like gravity on the day of delivery, plus a bonus per barrel that is the bid factor. The prices for the oil shall be computed to the closest tenth of each degree of API gravity and the closest tenth of a cent per barrel. A minimum bonus bid of \$0.25 per barrel above the posted price will be required. In addition, the purchaser will be invoiced monthly. Furthermore, a staggered late penalty of between one percent (1%) and five percent (5%) will be used for late payments. Interest will continue to be assessed at the rate of one and one-half percent (1 ½%) per month.

3. Term

The contract will be for a term of between 12 months. There are no provisions for renewal or extension.

4. Cash Deposit

Each bidder shall submit with its bid as evidence of good faith, a certified or cashier's check in the amount of \$25,000. Except in the case of the successful bidder, the bid deposit will be returned to each bidder.

5. Surety

An irrevocable letter of credit will be required in the (approximate) amount of \$1,300,000 equivalent to 60 days of State royalty oil production. An alternate

form of security will be accepted as a substitute for the letter of credit, subject to conditions prescribed by State Lands Commission staff and the Office of the Attorney General.

6. Insurance

The Purchaser will maintain or procure personal liability and property damage insurance of at least \$2,000,000 combined single limit per occurrence or \$4,000,000 aggregate.

7. Delivery

An agreement providing for the exchange or other disposition of the oil subject to the sales contract must be submitted as evidence to establish the bidder's ability to take the royalty oil at the point of delivery.

8. Selection of Successful Bidders

The successful bidder shall be the responsible bidder making the highest per barrel bonus bid. In the event that two or more responsible bidders make identical high bids, the successful bidder will be determined by lot among all those responsible bidders making such identical high bids.

9. Rejection of Bids

All or any portion of the royalty oil proposed to be sold may be withdrawn by the Commission at any time before the opening of the bids. The Commission also reserves the right to cancel this offer at any time and the right to reject any and all of the bids.
