**AUTHORIZE PREPARATION AND PROCESSING OF
A STATE PATENT TO BE ISSUED TO W. H. WINN**

APPLICANT:

William F. Delaney
c/o Ms. Shyla L. Funaro
Mt. Shasta Title and Escrow Company
P.O. Box 870
Yreka, California 96097

William F. Delaney has requested a State patent be issued for 40 acres, more or less, of former State-owned school land in Siskiyou County. An application for purchase of the parcel (Humboldt Land District 2043) was filed by W. H. Winn, on September 25, 1902, and approved by the Surveyor General on March 25, 1903, and a Certificate of Purchase Number 4316 showing payment in full was issued on May 18, 1903. The original certificate of purchase is beyond the control of the present owners of the land and affidavit pursuant to Public Resource Code 7729 has been provided. No patent has yet been issued to complete the chain of title on the parcel.

Staff has examined the file and other information submitted by Mt. Shasta Title and Escrow Company and has concluded that the laws' requirements relating to issuance of a patent for the described land have been met, and the person to be named in the patent (W. H. Winn) is entitled to it. William F. Delaney is the successor-in-interest to W. H. Winn.
