3. The annual rent will be revised from \$107 to \$115 per year. All other terms and conditions of the lease shall remain in effect without amendment.

**OTHER PERTINENT INFORMATION:**

1. On December 16, 1998, the Commission authorized a General Lease - Recreational Use with Universal Portfolio Limited for the reconstruction of a floating boat dock, ramp, and pier. That lease will expire on September 30, 2008. The authorized improvements do not extend far enough into the Petaluma River for Applicant to utilize and enjoy the facilities. Applicant owns the uplands adjoining the lease premises, but does not qualify for a rent-free lease because it is not a natural person or association of homeowners. Universal Portfolio Limited seeks to extend the pier 20 feet farther into the river and to modify the configuration of the floating boat dock to a 10 foot by 32 foot floating dock.

2. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 2, Replacement or Reconstruction; Title 2, California Code of Regulations, section 2905 (b).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

3. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
