OTHER PERTINENT INFORMATION:

1. This Calendar Item will terminate a General Lease - Right of Way Use that was issued for the original concrete discharge pipe and issue a new General Lease - Public Agency Use for the concrete water circulation pipe, effective December 12, 1999. On November 9, 1993, the Commission authorized a General Lease - Right of Way Use with Redwood Shores Properties. That lease will expire on November 9, 2018. On December 13, 1999, Redwood Shores Properties deeded the littoral land and pipeline to the city of Redwood City. The city of Redwood City is now applying for a new General Lease - Public Agency Use.
2. As to the termination of the General Lease – Right of Way Use, pursuant to the Commission’s delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA because the activity is not a “project” as defined by the CEQA and the State CEQA Guidelines.

Authority: Public Resources Code section 21065 and Title 14, California Code of Regulations, section 15378.

3. As to the new General Lease - Public Agency Use, Pursuant to the Commission’s delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

4. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff’s consultation with the persons nominating such lands and through the CEQA review process, it is the staff’s opinion that the project, as proposed, is consistent with its use classification.
