AT METROPOLITAN DETENTION CENTER, LOS ANGELES, LOS ANGELES
COUNTY**

Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal jurisdiction to the United States upon finding:

- a. the land is held for the erection of forts, arsenals and other needful buildings, or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution;
- b. the cession is in compliance with the laws of the United States;
- c. the United States has in writing requested such cession; and
- d. the State reserves jurisdiction over the land for purposes of water acquisition and management.
- e. the United States has agreed to compensate the State for costs incurred in processing the cession.

Presently, the United States presently has concurrent criminal legislative jurisdiction over the Metropolitan Detention Center, Los Angeles, CA. The cession of jurisdiction was made in October, 1996 for a period of five years. By letter dated July 9, 2001 the United States has requested that the State of California renew its cession of concurrent criminal legislative jurisdiction over this facility for another five years. The United States believes that "Concurrent criminal jurisdiction is urgently needed to allow the United States to conduct federal investigations and prosecutions of certain criminal offenses that may occur on the land. Particularly in the event of reactivation of a penal facility at this site, we believe it is mutually desirable, and in the interests of sound administration
