CALENDAR ITEM NO. C34 (CONT'D)

3. The original General Permit – Protective Structure Use authorized an existing tidewall. The new General Lease – Protective Structure Use will also include the existing bank protection.
4. The tidewall and bank protection at this location protect the bank of the slough from wave and wind action at no cost to the public.
5. Existing Tidewall:  
Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905(a)(2).  
  
Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.
6. Existing Bank Protection:  
Pursuant to the Commissions' delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff had determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 4, Minor Alterations to Land; Title 14, California Code of Regulations, section 15304.  
  
Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.
7. This activity involves lands which have NOT been identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. However, the Commission has declared that all tide and submerged lands are "significant" by nature of their public ownership (as opposed to "environmentally significant"). Since such declaration of significance is not based upon the requirements and criteria
