**OTHER PERTINENT INFORMATION:**

1. The Commission issued a 35-year General Lease – Commercial Use to Horst Hanf, beginning January 1, 1985, ending December 31, 2020, for a commercial marina. On August 21, 1996, the Commission approved an assignment between Horst Hanf and Tiki Lagun, Ltd., a California Limited Partnership.
2. At its April 5, 2004, meeting, the Commission approved the assignment of the lease to Tiki Lagun Partners, LLC. At its July 12, 2004, meeting the Commission approved an Agreement and Consent to Encumbrancing of Lease in the amount of \$2.2 million between County Bank, as secured party lender, Tiki Lagun Partners, LLC, and the Commission. County Bank agreed to loan that amount to the Lessee based on the stipulation that it would obtain a longer lease from the Commission. The proposed action authorizes a new 25-year lease to Tiki Lagun beginning January 1, 2005. Since the lease is being terminated and a new lease issued, the Encumbrancing Agreement in the amount of \$2.2 million between the Commission, Tiki Lagun Partners, LLC, and County Bank approved on July 12, 2004, will need to be terminated and again approved by the Commission.
3. The facility has a Permit to Operate the gasoline dispensing facility and aboveground fuel storage tank, which serves its gasoline dispenser, from the San Joaquin Valley Air Pollution Control District.
4. The lease contains provisions that the Lessee must implement the Commission's "Best Management Practices for Marina Owners/Operators" and incorporate the Commission's "Best Management Practices for Berth Holders and Boaters" into Lessee's berth rental agreements, including additional Best Management Practices (BMPs) the

Commission subsequently deems appropriate for either of the above categories. In addition to the inclusion of the BMPs for Berth Holders and Boaters into the berth rental agreements, the Lessee shall post such publication in prominent places within the lease premises. The Lessee shall provide the Commission, on the first anniversary of the lease and tri-annually thereafter, a report on compliance with all BMPs

5. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

6. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
