CALENDAR ITEM NO. C45 (CONT'D)

OTHER PERTINENT INFORMATION:

1. Applicants own the uplands adjoining the lease premises.
2. Applicants qualify for a Recreational Pier Lease because they are natural persons who have improved the littoral land with, and use the upland for, a single-family dwelling.
3. In 1996, the Commission authorized the issuance of a Recreational Pier Lease, PRC 5249.9 to the Lessees for the continued use and maintenance of the boat dock adjacent to their residence in Huntington Harbour. The Applicants, Mr. and Mrs. Vance, are now applying for a new General Lease – Recreational Use for the proposed construction of a deck that cantilevers five feet waterward of the existing bulkhead. This five-foot portion of the deck extends over the State's fee title ownership in the Midway Channel of Huntington Harbour. Staff is recommending that the current lease, PRC 5249.9, be terminated and the existing use and proposed use be combined in a single General Lease – Recreational Use. As the cantilevered deck does not qualify for a rent-free lease, that portion of the deck extending over State fee ownership within the Harbour is subject to annual rental. The existing boat dock will remain rent-free.
4. **Termination of Existing Lease:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines [Title 14, California Code of Regulations, section 15060(c)(3)], the staff has determined that this activity is not subject to the provisions of the CEQA because it is not a "project" as defined by the CEQA and the State CEQA Guidelines.

Authority: Public Resources Code section 21054 and Title 14, California Code of Regulations, sections 15060(c)(3) and 15378.

5. **Issuance of New Lease, as to cantilevered deck:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 3, New Construction of Small Structures; Title 2, California Code of Regulations, section 2905 (c)(1).

Authority: Public Resources Code section 21084 and Title 14, California

CALENDAR ITEM NO. C45 (CONT'D)

Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

6. **Issuance of New Lease, as to existing boat dock:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

7. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
