2. On January 1, 1992, the Commission authorized a General Lease - Recreational Use with the Young Men's Christian Association of Glendale (YMCA) for the submerged lands adjacent to the upland camp facility. That lease expired on December 31, 2001. While processing a new lease application, staff was informed by the YMCA that, as of December 31, 2002, the Santa Catalina Island Conservancy (Conservancy) would not be renewing or extending the upland lease with the YMCA. On January 14, 2003, the YMCA executed a lease quitclaim deed releasing any interest in the lease area authorized by PRC 6439 and withdrew their lease application. The Conservancy is now applying for a new lease.
3. The upland camp facility has been leased previously by the Conservancy to various scouting organizations and most recently to the YMCA. The Conservancy does not currently have the upland camp facility leased. However, the pier is being used by Conservancy support personnel for access to the upland camp facility for maintenance and emergency purposes, and the string line moorings are used to tie-up support vessels.
4. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines [Title 14, California Code of Regulations, section 15060(c)(3)], the staff has determined that this activity is not subject to the provisions of the CEQA because it is not a "project" as defined by the CEQA and the State CEQA Guidelines.

The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.
