**OTHER PERTINENT INFORMATION:**

1. Applicant owns the uplands adjoining the lease premises.
2. On January 22, 1962, the Commission issued to Al Scannavino a 15-year General Lease - Recreational Use, with two ten-year renewal options. On October 29, 1979, the Commission issued to Al Scannavino an amendment and renewal of General Lease - Recreational Use to bring said lease into conformance with the existing lease standards of Lessor and to increase the total number of renewal options to three ten-year periods. On December 23, 1986, the Commission issued to Madaline Scannavino, successor in interest to Al Scannavino, the second ten-year renewal option on General Lease - Recreational Use. Ownership of the upland property was subsequently transferred to Scannavino Properties I, a Limited Partnership. On January 22, 1997, the Commission issued to Scannavino Properties I, a Limited Partnership, the third ten-year renewal option on General Lease - Recreational Use. That lease will expire on January 21, 2007. Scannavino Properties I, a Limited Partnership, is now applying for a new General Lease - Recreational Use.
3. Some uncertainty exists as to the State's sovereign interest in the historic bed of the San Joaquin River, which has used by the Applicant for recreational purposes. Therefore, staff has included a provision in the lease which waives the enforcement of Section 4, Paragraph (4)(i) concerning residential use, which may have existed as of August 24, 2006, of the State's sovereign lands until the historic bed of the San Joaquin River at this location is defined and located. Additionally, the proposed lease contains a provision wherein the Applicant may not construct any new improvements which may be used for residential purposes, nor is the Applicant allowed to change, rebuild, or modify, etc., any existing structure which may have existed on August 24, 2006, which may be used for residential purposes.
4. **UNCOVERED FLOATING BOAT DOCK AND FILLED TIDE AND SUBMERGED LANDS UTILIZED FOR RECREATIONAL PURPOSES:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project.
