GENERAL LEASE - RECREATIONAL USE

APPLICANT:

Crockett Striped Bass Club
PO Box 58
Crockett, California 94525

AREA, LAND TYPE, AND LOCATION:

1.09 acres, more or less, of sovereign lands in Carquinez Strait, town of Crockett,
Contra Costa County.

AUTHORIZED USE:

Continued use and maintenance of existing piers, dock, float and buildings
(portion of clubhouse and locker room) as shown on Exhibit A.

LEASE TERM:

20 years, beginning July 19, 2007.

CONSIDERATION:

\$5,350 per year; with the State reserving the right to fix a different rent
periodically during the lease term, as provided in the lease.

SPECIFIC LEASE PROVISIONS:

Insurance:

Combined single limit coverage of \$3,000,000

Bond:

\$20,000

Other:

Inclusion of Best Management Practices for Marina Owners and
Operators

OTHER PERTINENT INFORMATION:

1. Applicant has the right to use the uplands adjoining the lease premises.

CALENDAR ITEM NO. C54 (CONT'D)

2. On February 23, 1978, the Commission authorized a General Permit - Recreational Use to Crockett Striped Bass Club; that permit expired July 18, 2002. The Applicant is now applying for a new General Lease - Recreational Use. During the interim period, between July 19, 2002, and July 18, 2007, the lease has been in holdover status. The rent is current; no changes have been made to the lease premises.
3. During the summer of 2006, a beam supporting a portion of the fishing pier failed due to deterioration. Repairs to the pier have been completed. However, access decks to the mooring facilities on the eastern side of the Club have deteriorated to a point where they are unusable. For safety reasons, the Applicant will be removing the decking, joists and beams during the spring and summer of 2007. At this time, the Applicant's plan for the eastern moorings are to leave the piers that are in good shape in place for possible reconstruction of the moorings. The existing piers do not represent a safety hazard because the waters in the area are so shallow they are not navigable except by rowboat during mid to high tides.
4. The lease contains provisions that require the Applicant to implement the Commission's "Best Management Practices for Marina Owners/Operators" and incorporate the Commission's "Best Management Practices for Berth Holders and Boaters", including additional Best Management Practices (BMPs) the Commission subsequently deems appropriate for either of the above categories. In addition, the Applicant shall post the BMPs for Berth Holders and Boaters publication in prominent places within the lease premises. The Applicant must also provide the Commission, on the first anniversary of the lease and tri-ennially thereafter, a report on compliance with all BMPs.
5. **For Areas in Good Repair:**
Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

CALENDAR ITEM NO. C54 (CONT'D)

6. **For Areas Under Repair or Recently Repaired:**

Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 2, Replacement or Reconstruction; Title 2, California Code of Regulations, section 2905 (b).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

7. **For Areas Needing Future Repair:**

Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 14, California Code of Regulations, section 15301.

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300.

8. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
