ISSUANCE OF A NEW GENERAL LEASE – RECREATIONAL AND  
PROTECTIVE STRUCTURE USE**

**LESSEE:**

Joe M. Cantrell

**APPLICANTS:**

Alfred Alys and Shirley Alys

**AREA, LAND TYPE, AND LOCATION:**

Sovereign lands in Georgiana Slough, near Isleton, Sacramento County.

**AUTHORIZED USE:**

Continued use and maintenance of an existing uncovered floating boat dock, pilings, walkway, and bank protection as shown on Exhibit A.

**LEASE TERM:**

Ten years, beginning April 1, 2007.

**CONSIDERATION:**

Uncovered Floating Boat Dock, Pilings, and Walkway: No monetary consideration pursuant to Public Resources Code section 6503.5.

Bank Protection: The public use and benefit; with the State reserving the right at any time to set a monetary rent if the Commission finds such action to be in the State's best interest.

**SPECIFIC LEASE PROVISIONS:**

Liability insurance in the amount of no less than \$500,000.

**OTHER PERTINENT INFORMATION:**

1. Applicants own the uplands adjoining the lease premises.

CALENDAR ITEM NO. C28 (CONT'D)

2. On June 19, 1998, the Commission authorized a Recreational Pier Lease to Joe M. Cantrell. That lease will expire on December 31, 2007. Mr. Cantrell has since deeded the property to Alfred Alys and Shirley Alys who are now applying for a new lease. Applicants qualify for the rent free use of the uncovered floating boat dock and walkway because they are natural persons who have improved the littoral land with, and use the upland for, a single-family dwelling.
3. The bank protection at this location mutually benefits both the public and the Applicants. The bank of Georgiana Slough will have the additional protection from wave action provided at no cost to the public.
4. The Commission authorized lease to Joe M. Cantrell was for an 8 "x 22" uncovered floating boat dock. Shortly after the Applicants acquired the property, they reconfigured and enlarged the uncovered floating boat dock to 16' x 40' utilizing the existing pilings. This work was completed without first seeking Commission approval.
5. **Termination of Existing Lease:** Pursuant to the Commission's delegation of authority and the State CEQA guidelines [Title 14, California Code of Regulations, section 15060(c)(3)], the staff has determined that this activity is not subject to the provisions of the CEQA because it is not a "project" as defined by the CEQA and the State CEQA Guidelines.

Authority: Public Resources Code section 21065 and Title 14, California Code of Regulations, sections 15060 (c)(3) and 15378.

6. **Pilings:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

7. **New Dock and Walkway:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of

CALENDAR ITEM NO. C28 (CONT'D)

Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 3, New Construction of Small Structures; Title 2, California Code of Regulations, section 2905 (c)(1).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

8. **Bank Protection:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 4, Minor alterations to land; Title 2, California Code of Regulations, section 2905 (d)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

9. This activity involves lands which have NOT been identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. However, the Commission has declared that all state school lands and submerged lands are "significant" by nature of their public ownership (as opposed to "environmentally significant"). Since such declaration of significance is not based upon the requirements and criteria of Public Resources Code sections 6370, et seq., use classifications for such lands have not been designated. Therefore, the finding of the project's consistency with the use classification as required by Title 2, California Code of Regulations, section 2954 is not applicable.
