**OTHER PERTINENT INFORMATION:**

1. Applicants own the uplands adjoining the lease premises.
2. On November 7, 1997, the Commission authorized a Recreational Pier Lease with William R. Timken and Judith P Timken. That lease expired on January 20, 2008. On September 10, 2007, William R. Timken and Judith P. Timken deeded the upland property into four separate qualified personal residence trusts. Applicants are now applying for a new General Lease - Recreational Use.
3. The Applicants qualify for rent free use of the pier and boat hoist because the Applicants are natural persons who own the littoral land that is improved with a single-family dwelling pursuant to Public Resources Code 6503.5. The sundeck does not qualify for rent-free status because it is a facility not constructed for the docking and mooring of boats.
4. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities, Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
