**OTHER PERTINENT INFORMATION:**

1. Applicants own the uplands adjoining the lease premises.
2. On December 16, 1998, the Commission authorized a ten-year Recreational Pier Lease with George C. Everett, Jr. and Andrea C. Everett, Trustees of the Everett Family Trust dated April 18, 1996. That lease expired on July 14, 2007. Applicants are now applying for a new General Lease – Recreational and Protective Structure Use.
3. The Applicants qualify for rent free use of the pier and two buoys because the Applicants are natural persons who own the littoral land that is improved with a single family dwelling pursuant to Public Resource Code 6503.5. The breakwater does not qualify for rent-free status because it is a structure not constructed for the docking and mooring of boats.
4. The breakwater has existed for many years, but was not previously authorized by the Commission. Staff has determined that a portion of the existing breakwater is located within the Commission's jurisdiction and the proposed lease includes the retention of the existing breakwater as shown on the attached Exhibit A.
5. **Pier and Two Mooring Buoys:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).  
  
Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.
