**CONSIDERATION:**

**Pier, Boat House, Two Boat Lifts, and Two Mooring Buoys:** No monetary consideration pursuant to Public Resources Code section 6503.5.

**Sundeck with Stairs:** \$443 per year, with the State reserving the right to fix a different rent periodically during the lease term, as provided in the lease.

of the sundeck, then the sundeck must be removed from the lease premises.

**OTHER PERTINENT INFORMATION:**

1. Applicants own the uplands adjoining the lease premises.
2. On February 27, 1998, the Commission authorized a Recreational Pier Lease with William R. Shepherd, Jr. and Mary Jo Shepherd, Trustees of the William R. and Mary Jo Shepherd Revocable Trust dated February 24, 1986, as amended April 2, 1990. That lease expired October 31, 2007. On January 20, 2009, the ownership of the upland property was transferred to William R. Shepherd, Jr. and Mary Jo Shepherd, Trustees of the William R. Shepherd, Jr. Homewood Qualified Personal Residence Trust, dated December 31, 2008, and William R. Shepherd, Jr. and Mary Jo Shepherd, Trustees of the Mary Jo Shepherd Homewood Qualified Personal Residence Trust, dated December 31, 2008. Applicants are now applying for a new General Lease – Recreational Use.
3. The adjoining upland property consists of two Assessor parcels divided by Highway 89. According to a representative of the California Department of Transportation, State Highway 89 in this area is an easement. The easement separates the littoral parcel (APN 098-041-002) from the property that is improved with a single family residence (APN 098-042-002). The littoral parcel is too small to be separately developed with a single family residence. For these reasons, the parcel that is improved with the house is considered to be littoral.
4. The buoys were permitted by the Tahoe Regional Planning Agency (TRPA) on September 22, 2009. The two boat lifts have not been previously authorized, but have been in the boat house for many years and were permitted by TRPA on October 9, 2009.
5. Applicants are natural persons who own the littoral land that is improved with a single-family dwelling. The existing pier, boat house, two boat lifts, and two mooring buoys are exempt from consideration pursuant to Public Resources Code section 6503.5. The sundeck with stairs does not qualify for rent-free status because it is not constructed for the docking or mooring of boats.
6. Staff is recommending that the Commission consider accepting rent in the amount of \$517 for the period from November 1, 2007, the date after the prior lease expiration, through January 19, 2009, the date prior to the

ownership transfer to the new trust, and waive any penalty and interest that may have occurred.

7. **Pier, Boat House, Sundeck with Stairs, and Two Mooring Buoys:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

The project is exempt under Class 3, New Construction of Small Structures; Title 14, California Code of Regulations, section 15303.

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300.

9. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
